Love for Lebanon

Guests attend a stunning jewelry exhibition

The Consulate of Lebanon hosted a stunning jewelry exhibition, inviting a number of socialites and members of the Lebanese community to witness the beauty of jewels and to celebrate their love for their homeland. H.E. Mrs. Dona Türk, the Consul General of Lebanon, was present to welcome guests to the exhibition, which went by the theme "Keep Lebanon Close to Your Heart" and was attended by approximately 300 guests who had a fabulous time schmoozing and hobnobbing with each other. As they sipped on cocktails and viewed the various jewelry pieces – for men and women – we got back these memories.
