#### The Collection

Designed by Hala Tayah, the collection represented a patented, limited series of 10,452 necklaces, each bearing a hallmark and a numbered seal. Designed in 18k yellow, pink or white gold, the pieces can be set with diamonds and a garnet heart thereby signifying the designers' tribute to the nation of Lebanon. The highlight of the show was the fact that a portion of the sales proceeds was donated to NGO's helping Lebanese children.
